HCDE provides special education, therapy services, early education, adult education and after-school programming. Services are funded by government grants, fees and a local property tax of approximately $9 per homeowner. For every dollar in local property tax collected, HCDE provides $4.40 in services to the 25 Harris County school districts. We operate four campuses for students with profound special education needs and adjudicated or recovering youth who require a low student-teacher ratio and highly structured environment. One-hundred percent of students served on HCDE campuses are at-risk. We are governed by an elected board of seven trustees and have 1,076 employees and 33 facilities, including 15 Head Start centers.
