3. **Pledge of Allegiance to the Texas flag** - Jamie Salinas, Technology

4. **Open Forum** - Gov't Code 551.003 (5) - Public Participation. Pursuant to Policy BED (Local), a citizen who wishes to speak may do so by completing a participation request card available at the Board room at least 10 minutes prior to a regular Board meeting.

Coleen Vera addressed the board stating that she attended the budget workshop last week. She stated that she was concerned with all of the extra money that the Superintendent mentioned that HCDE had. She stated that there was no reason to be collecting more tax payer money if there was so much extra. She provided a handout to the board members and Superintendent with a conservative budget plan idea for the next year. She suggested the board look at it and stated that it takes out the things that compete directly with Region 4 and gets rid of the fluff, such as out-of-state travel and local food budgets, and the unnecessary administrative positions that the tax payers have to pay for, for the rest of their lives.

Andrea Duhon addressed the board stating that it seemed as though they would have a relatively smooth meeting since nothing particularly nefarious was on today’s agenda. She stated that parents and advocates are still watching, and they care about the programs, parents and children who the board is committed to serve. She stated that they have no reason to believe that tranquility will continue because the board has a member who has been twice censured, a holdover and a president who testified against the goodwill of the Department. She again ensured the board that the public would be watching.

Johnathan Miller addressed the board stating that he wanted to make sure that the board was aware that the public would be there every month watching. He stated that he would be watching the YouTube video because he had to leave after he addressed the board. He stated that he hoped the board would discuss ethics within the board itself. He stated that we have a board member who has been censured twice, a board member who has moved out of his district and a president who went to the Senate and did not support the Department. He stated that the board needed to make sure they are focused on the kids in Harris County getting the education they need.

5. **Reports and presentations:**

   A. **Annual Update from Technology** - Lowell Ballard, Director of Technology

   B. **Superintendent Monthly Report** - James Colbert, Jr.

   Superintendent Colbert addressed the board and made them aware of the summer flex hours. He stated that all HCDE campuses are working Monday through Thursday and taking Fridays off. He stated the summer schedule saves money on electricity. He stated that this week, he and Mr. Parker would be attending UT's TASA Summer Conference Meeting in Austin, an annual informative conference. Superintendent Colbert stated that
the following week, he and Mr. Parker, Dr. Mays, and Dr. Moten were invited to present at the ARS and the ARHE National Conference of Sobriety in Boston. Mr. Colbert further wanted to make the board aware that the summer was a busy time for administration and that administration would be working diligently to be able to present the budget to the board in July and to get all open positions filled.
