

JOIN US AT

SATURDAY, OCTOBER 17, 2020 | 11 AM - 3 PM
SAM HOUSTON PARK | HOUSTON, TX

**FREE
EVENT**

Come out to Energy Day and enjoy a fun festival atmosphere! Grab some coffee or lunch at the food trucks, hear music from the DJ, participate in interactive STEAM exhibits, and go home with cool swag. While you're there, check out the different robotics demos and learn how to get involved in these and other STEM competitions. Select winners of these competitions are awarded cash gift cards onstage at Energy Day.

WHAT YOU'LL SEE

70+ interactive exhibits showcasing STEAM and its real-life applications!

- Make slime, build rockets, blow giant bubbles, make beauty products, design futuristic products, and more!
- Learn about cool geology and the resources Earth provides us using different technologies
- Experience virtual reality
- Climb onboard several mobile "labs" to gain new understanding of the familiar
- STEAM professionals available for high school and college students to network and learn from

ACADEMIC PROGRAM

Since 2011, Energy Day Houston has provided over \$145,000 in financial awards to over 1100 K-12 students and teachers in the Houston area.

- NCWIT Aspirations in Computing
- Science & Engineering Fair of Houston
- FIRST Robotics
- SeaPerch Challenge
- All-Earth Ecobot Challenge
- Marine Advanced Technology Education (MATE)
- The Conrad Challenge
